Tell, Draw or Choose

PACK 4 / Dysgraphia

INSTRUCTIONS & ADAPTATIONS FOR ADULTS

Short, supported play for children aged 3-5. Model, pause and let the child choose how to join in.

What you need

Picture cards, familiar toys, optional paper and crayons.

Getting started

Lay out two or three picture choices.

Try it together

1. Choose a character or object.
2. Share what happens through talking, choosing, moving toys or drawing.
3. Invite an adult to write down the child's words if wanted.

Choices and adaptations

- No handwriting or letter formation is needed.
- Use pointing, gestures or AAC.
- An adult can scribe without correcting ideas.
- Keep the story to one picture if preferred.

How to keep it playful

Offer choices without checking for a correct response. Point, demonstrate, wait and follow the child. A little play is enough.

Safety: Use easy-to-hold materials and respect the child's preferred way to communicate.
