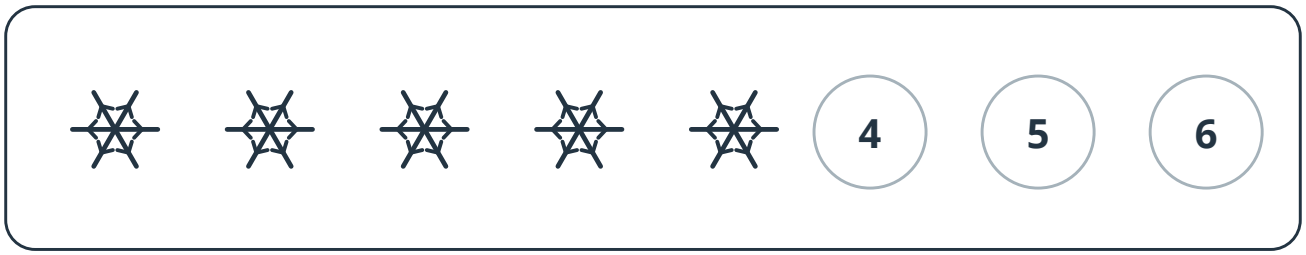
Colour the cheerful reindeer

Choose any colours. You can colour just one part.

Count and circle

Count the pictures. Circle the correct number.

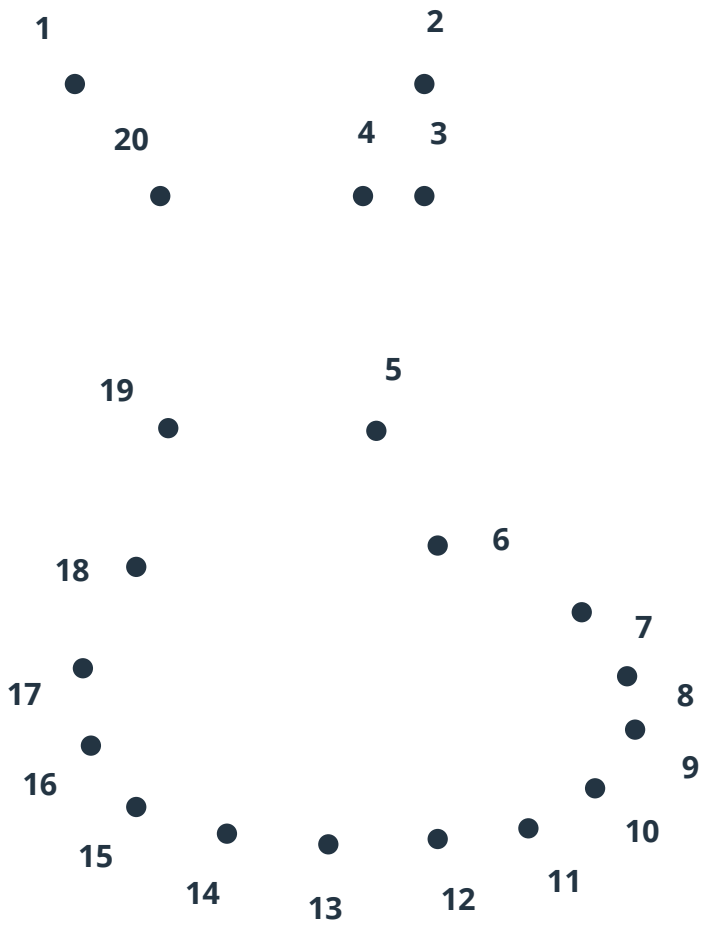
You can point to each picture as you count.



Dot to dot: Christmas stocking

Join the dots from 1 to 20.

When you finish, join 20 back to 1. Then colour your stocking.

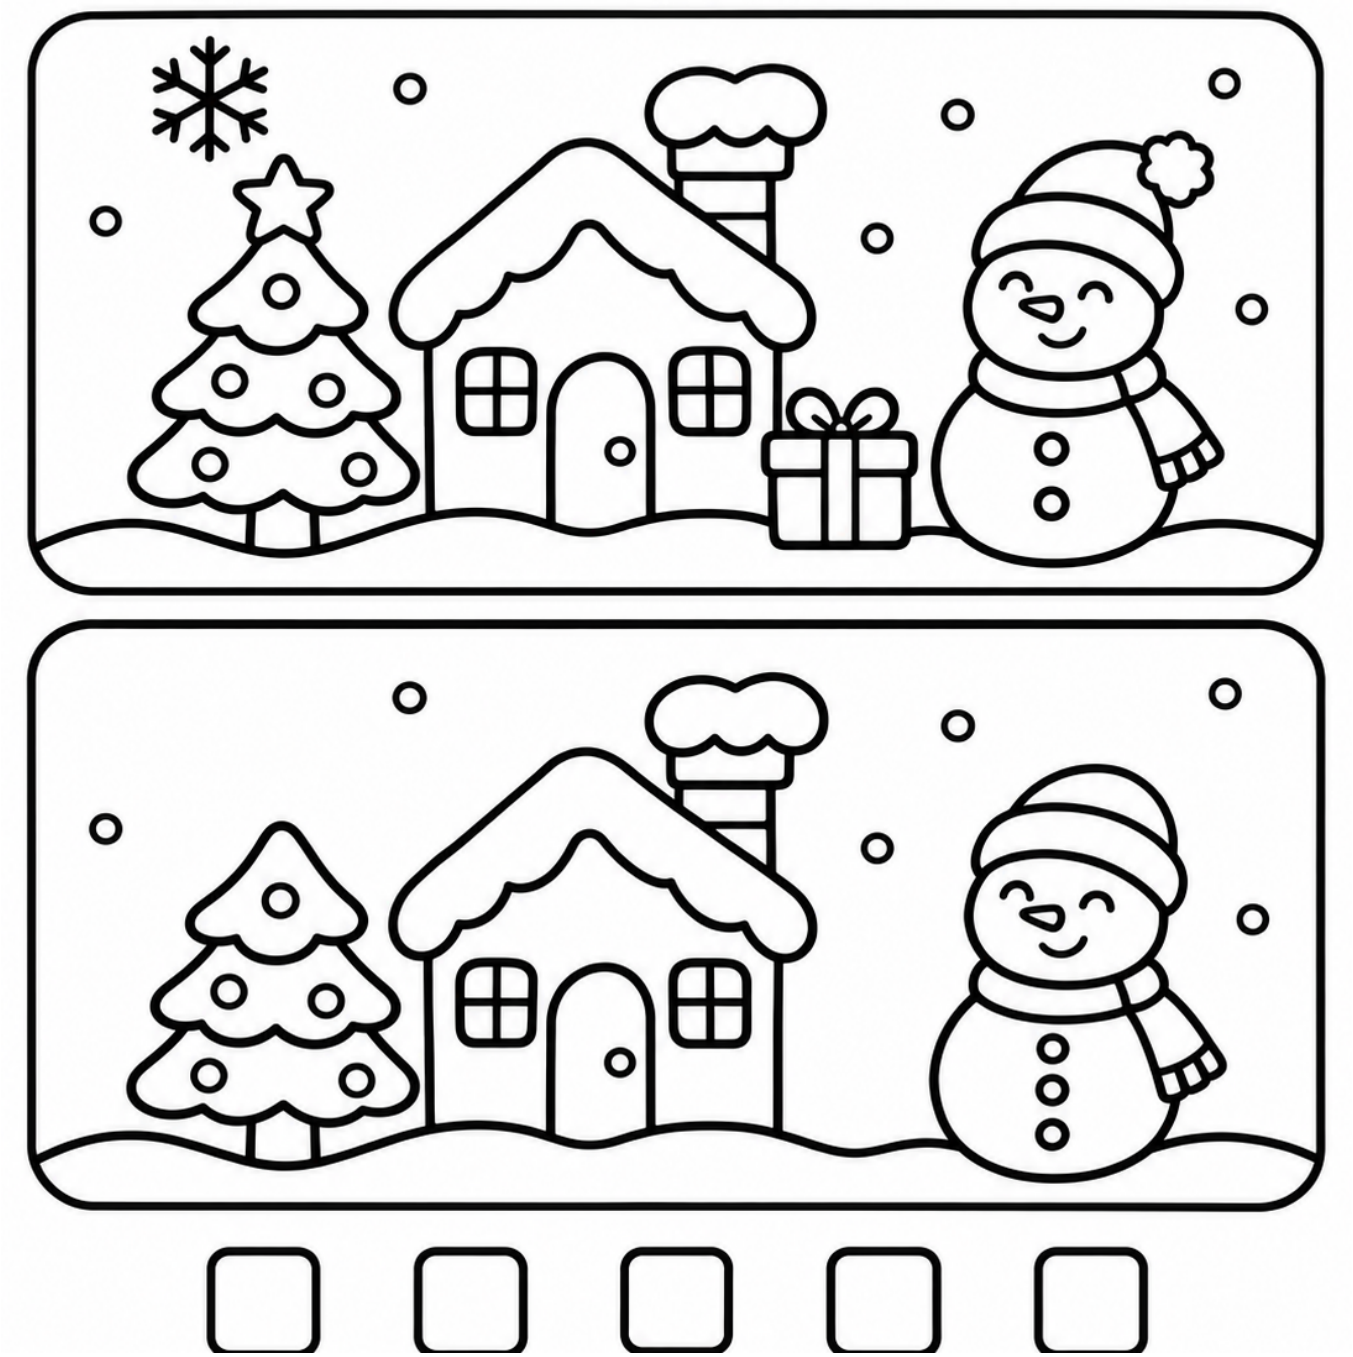


Draw a pattern on the stocking if you want to.

Spot the difference

Find 5 differences between the two pictures.

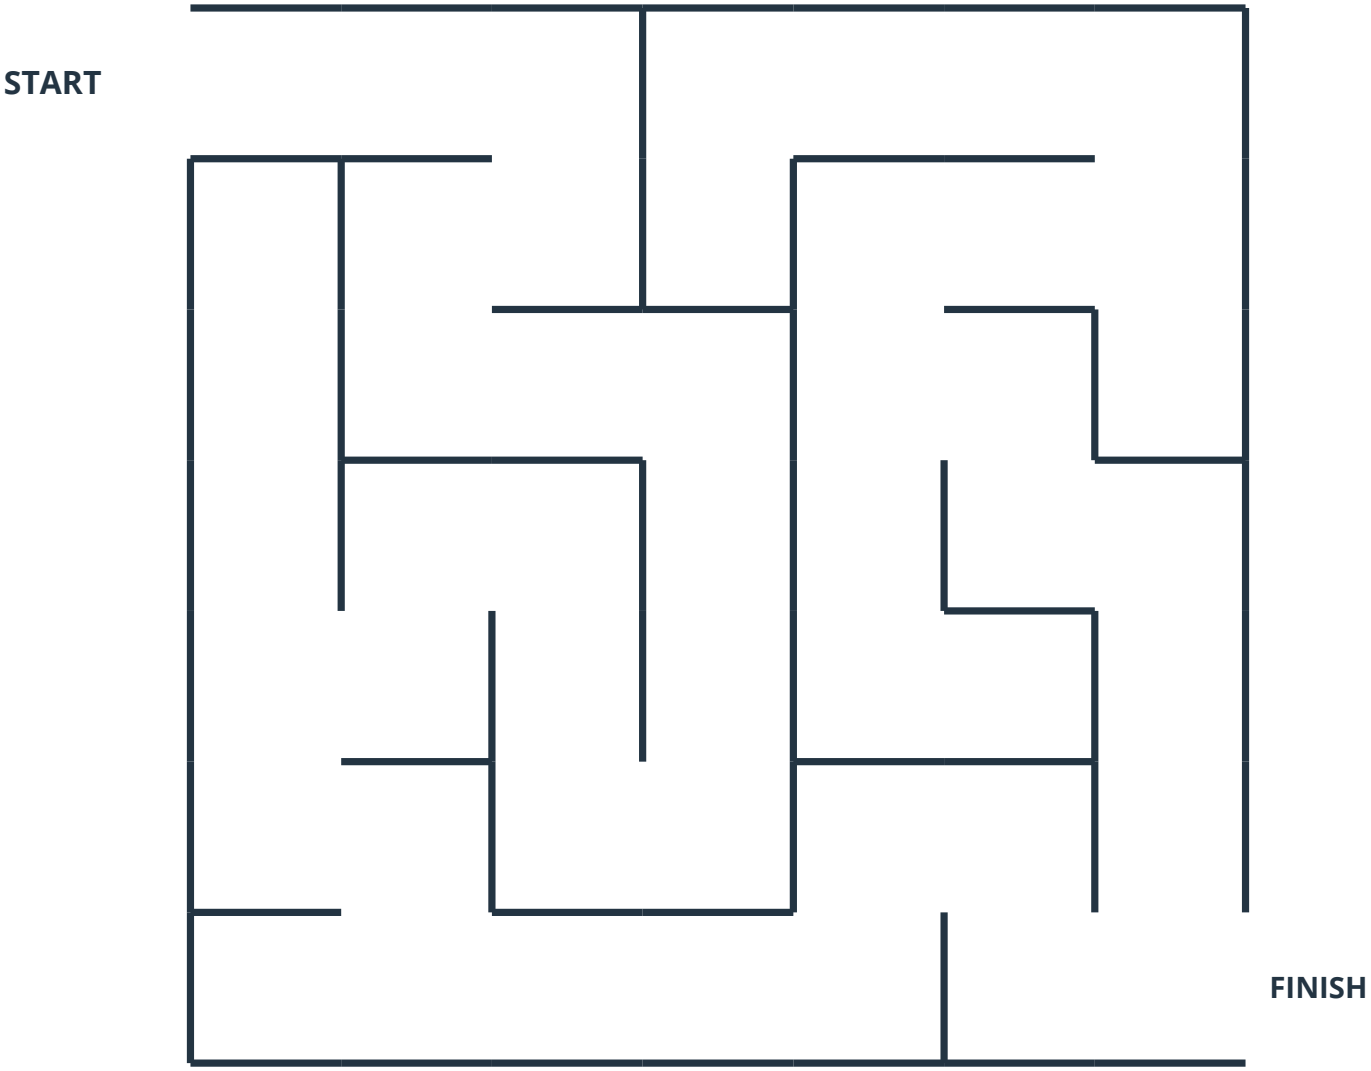
You can look at one part at a time. Tick a box when you find one.



Find the present

Draw a path from START to FINISH.

Try with your finger first if that helps.



There is one route through the maze.

Christmas I Spy

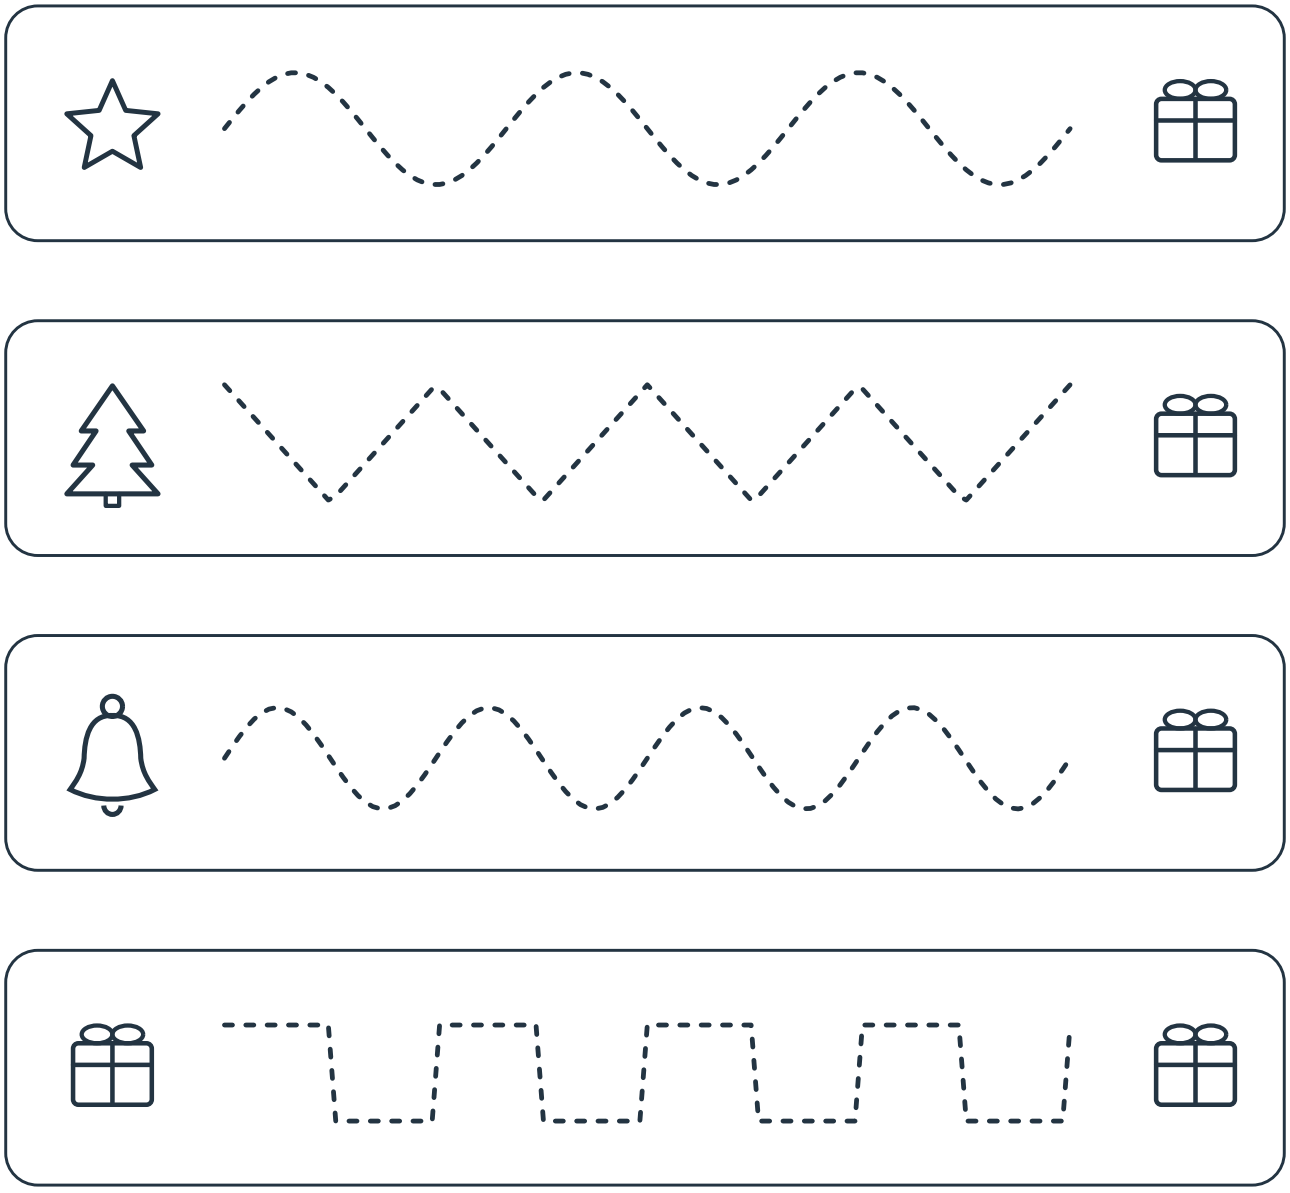
Find and count each type of picture.

Write a number in each box. Take your time.

Trace the Christmas paths

Trace the dotted lines from left to right.

You can use a pencil, finger or just follow with your eyes.



Match the pairs

Draw a line between matching Christmas pictures.

You can point to pairs before drawing any lines.

Finish the patterns

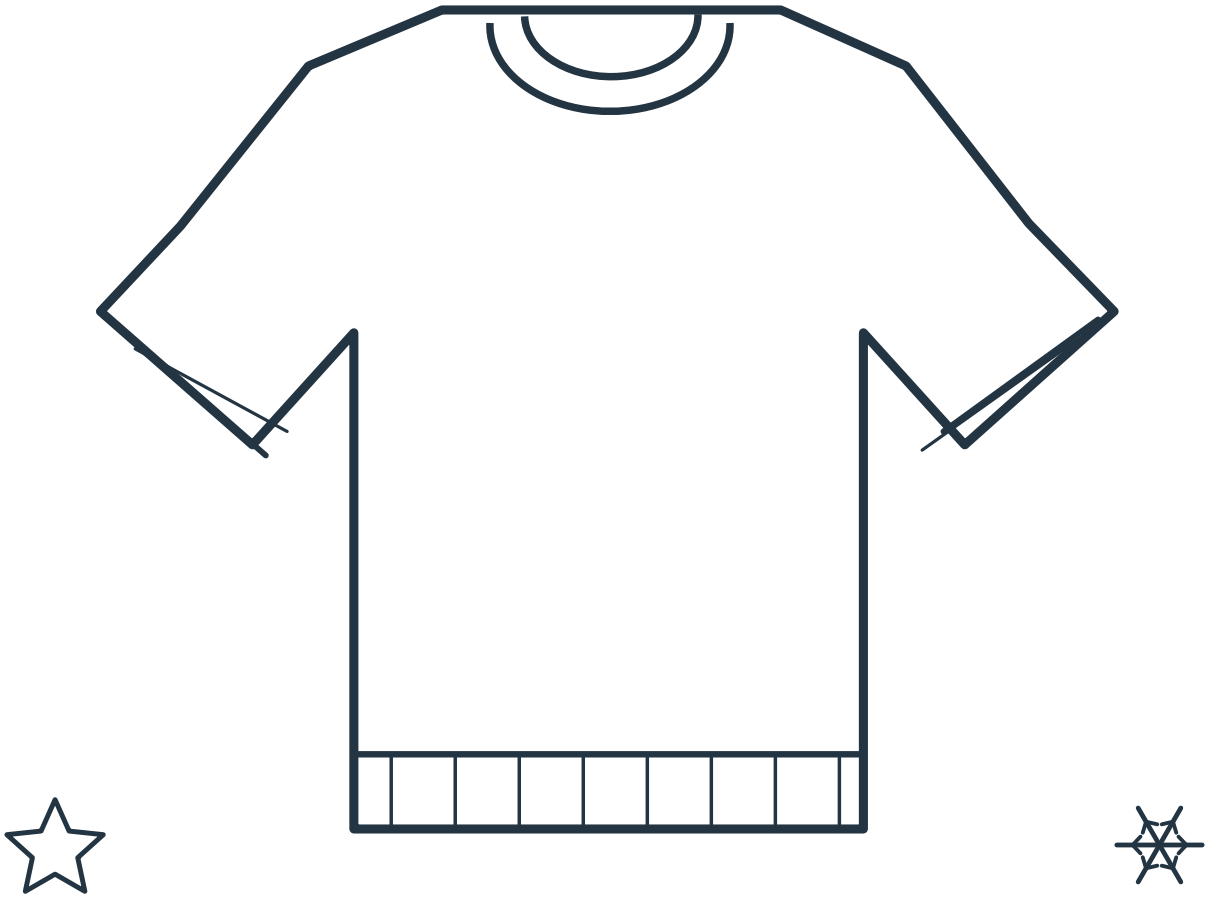
Look at each row. Draw the missing picture.

If you want, say the pattern out loud first.

Design a Christmas jumper

Draw patterns, shapes or pictures on this jumper.

There is no right or wrong design. You can leave spaces blank.



Try stripes, stars, or something completely your own.
